

## ReShape Lifesciences™ to Host Exhibit at Bariatric Summit

September 13, 2021

### ReShape Director of reshapecare™ Heather Mackie will be speaking at the conference

SAN CLEMENTE, Calif., Sept. 13, 2021 (GLOBE NEWSWIRE) -- ReShape Lifesciences Inc. (NASDAQ:RSL), the premier physician-led weight loss solutions company, today announced the company will host an exhibit at the upcoming 17<sup>th</sup> Annual Bariatric Summit in Washington, D.C. September 18-19, 2021. ReShape Senior Director of reshapecare™ Heather Mackie, MS, RDN, LD will be presenting and participating in focal patient care sessions during the conference.

"We look forward to engaging in actionable discussions among the prestigious physician and integrated health community members at the upcoming Bariatric Summit. Additionally, we are excited to discuss our mission to help minimize obesity-related conditions using our integrated product and digital health portfolio that addresses therapeutic and wellness-oriented weight loss regimens. We encourage participants to attend Heather's presentations and visit our exhibit to learn more about ReShape's Physician-Led Weight Loss Solutions and forward strategy," commented Bart Bandy, President and Chief Executive Officer at ReShape Lifesciences.

ReShape's exhibit can be found at the Washington Marriott at Metro Center in Washington, D.C. starting Saturday, September 18<sup>th</sup> at 9:25 am ET through Sunday, September 19<sup>th</sup> at 10 am ET.

### ABOUT RESHAPE LIFESCIENCES INC.

ReShape Lifesciences™ is America's premier weight loss and metabolic health-solutions company, offering an integrated portfolio of proven products and services that manage and treat obesity and metabolic disease. The FDA-approved Lap-Band® Program provides minimally invasive, long-term treatment of obesity and is an alternative to more invasive surgical stapling procedures such as the gastric bypass or sleeve gastrectomy. The ReShape Vest™ System is an investigational (outside the U.S.) minimally invasive, laparoscopically implanted medical device that wraps around the stomach, emulating the gastric volume reduction effect of conventional weight-loss surgery. It helps enable rapid weight loss in obese and morbidly obese patients without permanently changing patient anatomy. reshapecare™ is a virtual weight-management program that supports lifestyle changes for all weight-loss patients led by board certified health coaches to help them keep the weight off over time. The recently launched ReShape Marketplace™ is an online collection of quality wellness products curated for all consumers to help them achieve their health goals.
